PROFESSIONAL SUMMARY

Aspiring Software Developer and BCA Data Science student with a strong foundation in Python, web development, databases, and data analysis. Interested in building practical applications, learning AI/ML, and solving problems through clean and efficient code.

EDUCATION

BCA with Data Science	Sage University	02/2025 – 05/2027	CGPA: 8.10
Higher Secondary (12th)	Shree Kasera Bazar Vidhya Niketan	01/2023 – 01/2024	56%

PROJECTS

Student Management System | 08/2026 – 09/2026

PHP, MySQL, HTML, CSS, JavaScript, XAMPP

- Developed a web-based system for managing student/user information.
- Implemented registration, login authentication, sessions, roles, logout, and password reset.
- Connected the application with a MySQL database using PHP.

Sales & Customer Performance Analysis System | 03/2026 – 04/2026

SQL Server, Power BI

- Analyzed sales and customer data to identify business trends and performance.
- Created interactive Power BI dashboards and visualizations.
- Used data analysis to generate meaningful business insights.

Personal Portfolio Website | 05/2026 – 06/2026

HTML, CSS, JavaScript

- Designed a responsive portfolio website with About, Skills, Projects, Resume, and Contact sections.
- Implemented smooth scrolling, hover effects, and responsive design.

Calculator Web Application | 04/2026 – 05/2026

HTML, CSS, JavaScript

- Built an interactive calculator supporting basic arithmetic operations.
- Implemented clear, delete, percentage, real-time input, keyboard support, and responsive design.

EXPERIENCE

Frontend Development Intern – CodeAlpha | 08/2026 – 08/2026 | Lucknow, U.P.

- Worked on a Personal Portfolio Website and Calculator Web Application.

Software Development Intern – MERN Stack Development | 06/2025 – 07/2025 | Indore

- Worked as a Software Development Intern.

TECHNICAL SKILLS

Programming: Python, C++, SQL **Web:** HTML, CSS, JavaScript, React **Data/AI:** Data Structures & Algorithms, Data Science, AI/ML **Databases:** MySQL, MongoDB **Tools:** Git & GitHub **Concepts:** OOPS, Web Development

CERTIFICATIONS

- Introduction to Cloud Computing — Simplilearn (07/2026)
- Python for Data Science — Saylor.org (07/2026)
- Fundamentals of Machine Learning — Saylor.org (07/2026)
- SQL for Data Analysis — Simplilearn (07/2026)
- Getting Started with Hadoop — Simplilearn (04/2026)
- DBMS Course – Master the Fundamentals — Sacler Topics (11/2025)
- Computer Architecture — Saylor.org (11/2025)

LANGUAGES & INTERESTS

Languages: English, Hindi **Interests:** Software Development, Problem Solving, Learning New Technologies
